This equipment must be assembled and checked by an adult. Two adults may be required to assemble this product.

Adult supervision is required at all times.

Before use please check all bolts are tight, secure and intact.

Check all coverings for bolts and sharp edges and replace when required.

Check bars and attachments if relevant to your product for evidence of deterioration. Replace when required in accordance with the manufacturers instructions if necessary.

Place the product on level surface at least 2 metres from any structure or obstruction such as a fence, garage, house, wall, overhanging branches, laundry line or electrical wires.

DO NOT install the product over concrete, asphalt or any hard surface.

DO NOT orientate the product directly towards the sun.

Leave all fittings finger tight until assembly is complete, for ease of construction. Then tighten firmly. Children should not wear cycle helmets whilst on this equipment.

Do not allow loose, hooded or baggy clothes to be worn as children can get trapped and may be unable to free themselves.

Do not allow children to climb on parts of this equipment not intended for this purpose.

Do not allow children to wander into the play area whilst the equipment is in use.

Regularly check the item for wear and damage, removing the item from use when necessary until replacement parts are fitted.

Do not modify the item.

Failure to assemble and maintain this item as per instruction may cause injury to the user.

Please keep the instructions in a safe place for future reference.
